STUDENT LIGHTHOUSE COMMITTEE

LETTER FROM A LEADER

By Evelyn Gomez

Hello students and parents of LOE! My name is Evelyn, and I am a member of Student Lighthouse, a committee where selected leaders come together to discuss and plan how we can improve our leadership skills at our school. In this letter, I will show you what we are working on, and what we have been achieving.

First off, we had been working very hard in December. We have been helping in holiday house, having meetings to discuss our big project. Last November, we had been working on Team Damian fundraiser, and now we are ready to jump into the next project for our school, families, and community.

The Student Lighthouse Team has also organized many smaller events too. We have been motivating and uplifting the spirits of our peers by cheering them on during the fast tests or celebrating world kindness day. At LOE, we want to make sure we have a positive environment every day!
